NAPLAN Reports: Key Dates

After the NAPLAN tests have been sat in May, the results and subsequent reports are then released in separate stages.

**MAY 2014**

NAPLAN TESTS SAT BY 1 MILLION STUDENTS ACROSS AUSTRALIA
- Each May, over one million students sit the NAPLAN tests.
- Provides students, parents, teachers, schools and school systems with important information about the literacy and numeracy achievements of students at that point in time.

**AUGUST 2014**

SUMMARY REPORT RELEASED
- The Summary Report is released in August.
- Provides an overview of the preliminary national and state/territory NAPLAN results in reading, writing, language conventions and numeracy.
- This year, the report is published as a dynamic web-based resource.

**AUGUST / SEPTEMBER 2014**

STUDENT REPORTS RELEASED
- Student reports are released to schools for distribution to parents by the state or territory test administration authority.
- Timings vary between the states/territories.

**DECEMBER 2014**

NATIONAL REPORT RELEASED
- The National Report is released in December.
- It provides a detailed analysis of how students perform in each year level, state/territory and by various demographics in society on a national scale in each of the four test domains.

**MARCH 2015**

MYSCHOOL.EDU.AU WEBSITE GETS UPDATED
- The My School website gets updated with NAPLAN data in March of the following year.
