Important information for reading this document

When referring to this document readers must be aware that:

1. The information listed in the school list (this document) is based on the data provided by jurisdictional education authorities in each state/territory, including Catholic and independent school sector bodies, for *My School* website reporting purposes. This information was accurate as at the time of collection.
2. For consistency, the list of schools is based on 'active' schools in the current reporting year (i.e. the current reporting year is 2012).
3. For consistency, "Active" schools with a "No Reporting" (NR) flag—as advised by the school—are not reported in the school list.
4. Data are current as of 25 June 2013.

For clarification of any of these points or for further information contact ACARA Communications at info@acara.edu.au or on 1300 895 563.
