

G20 Teaching and learning resources

Use QCAA's teaching and learning resources to connect student learning with the G20 at www.qcaa.qld.edu.au/G20.

P-12 Teaching and learning activities

P-10	11-12
Literacy and numeracy	Economics
Geography	Geography
Civics and Citizenship	
Economics and Business	
SOSE	

Interactive map

Explore data including:

population size

literacy rates

imports and exports

number of mobile phones.

Expert videos

Featuring expert contributions from Griffith University academics.

Virtual field trip

Use the Queensland Globe application and Google Earth.

Give students an insider's view of the G20 precinct without leaving the classroom.
